

# History of BBSRDA from 1970 to 2024

## BBSDA

**Border Booster Square Dance Association** was conceived in 1967. A Square Dance Festival was organized in 1967 and held in Plattsburgh, New Yor. An informal organization (The Border Boosters) was established to support the festival. It was the beginning of an international (Canadian and American) Square Dance association. A meeting October 1, 1967, started the **Border Boosters Square Dance Association**. At that time there were no round dance clubs involved. Many meetings were held in 1967 and 1968 in both Plattsburgh and Pointe Claire.

**NOTE:** I placed the origin of BBS&RDA in 1967 because I had a document about a meeting to form BBS&RDA and get ready for a special dance in 1967. As I went through the books, I noticed that in the 2000s there was a page "When Clubs were founded" – and it declared BBS&RDA was founded in 1952. I have no memory of where or how I got this date since I was the dance book editor at that time.

BBSDA started out with 14 **square dance** clubs. In 1979 it had 38 clubs from New York, Vermont, Ontario, and Quebec. BBSDA club membership was moderately volatile. We got new clubs and old clubs folded constantly.

We had a **golden age** from around 1975 (with 31 clubs) to a high of 38 to 42 clubs of which 3 to 6 were round dance clubs. Also, many square dance clubs also included some rounds. Club membership starting declining in 1998. And in 2000 there were only 25 clubs.

In 2006 a **festival club** was included in the BBS&RDA roster. Maple Country Swingers was resurrected as a club that held a one 3 day square and round dance festival in the camp grounds at Trois Lacs, Asbestos, QC. So now we had square dance clubs, square and round dance clubs, round dance clubs and one festival club.

## BBS&RDA

**Border Boosters Square and Round Dance Association** came into existence in 1985 when BBSDA was renamed BBS&RDA when serious round dancing happened in our area.

### Convention 2006:

In 2006 BBS&RDA held the Canadian National Square Dance Convention. The committee members for this convention were:

Barry Coleman, Gisele Gosselin, Brenda McDonald, Brian Bachelder, Don Moger, Avena Smolkin, Diane Mack, John Mack, Patrick Hamelin, Anne Hamelin, Beverly Rudge, John Rudge, Glenda Harris, Fern Sinotte, Andy Wolf, Helen Wolf, Gary Geldart, Maureen Geldart

The convention was supposed to be held at the downtown hotels, but it looked like it would be a disaster because of low registration. Don Moger came to the rescue and found a new location – the college in Ste-Anne-de-Bellevue. Because of this change in venue BBS&RDA was very successful and we were able to use the proceeds to fund many functions.

## Quebec dance association

There is no "Quebec dancing association" as is the case in all other provinces and territories because when all the other provincial associations were created to have a hierarchy (Canadian federation <-> provincial association <-> local clubs) there already was an association in the Quebec area. It was BBS&RDA. So even though BBS&RDA contains clubs from New York and Ontario, as well as Quebec, it is the de facto Quebec association.

# History of BBSRDA from 1970 to 2024

## Dance Book

**1970:** In 1970 a “Dance” book was created. It was on mimeographed 8.5 by 11 sheets of paper. The dance book showed a list of dances (dates, times, and places) and clubs involved in the organization. The following years the dance book was printed. The dance book came out twice a year until 1986.

**1986:** In 1986 the dance book became a yearly publication.

**2008:** fall 2008 was the last year the dance book was published. It was replaced by a web site.

## Banner Napping

“Banner Napping” was instituted to encourage inter club visiting. A club would send a square or more of dancers to another club and “steal” their club flag (usually by dancing an “interesting” tip). The other club would then have to visit the first club to get their “banner” back.

## Travel Badges

Travel badges were another method used to encourage inter club visits. Rules for getting a travel badge were first shown in 1979. It required visits to 10 different with at least 5 different callers..

## Dancing Levels

**1970:** At first dances were labeled as **B**eginners, **C**lass or combined, **R**elaxed or regular, **S**pecial, **R**elaxed **C**lub **L**evel (**RCL**) and **A**dvanced 2 or 3 year dancers which became **E**xperienced **C**lub **L**evel (**ECL**). It was all still what we now call mainstream - no plus, advanced or challenge levels yet.

**1978:** Dancing levels changed. Dances now are labeled **B** (Basic 1-38), **EB** (extended basics 1-54), **MS** (Mainstream 1-68), **MP** (Mainstream plus – experimental program adding Plus calls), and **A** (Advanced – another experimental level). Callerlab is involved and they will add and move calls around the levels.

**1979:** Advanced 1 (**A1**), advanced 2 (**A2**), Challenge 1(**C1**), and Challenge 2 (**C2**) were mentioned in the 1979 dance book. Advanced dancing started in BBSDA in 1979. Montreal Acey Deucys started having Advanced dances in 1979.

**1980:** Challenge 1 (**C1**) - Montreal Acey Deucy started C1 calling. They are now dancing Advanced, Plus and C1.

**1983:** **Dance By Definition (DBD)** was mentioned in the dance book. Several clubs were listed as dancing DBD. For a short time, **All Position Dancing (APD)** was also used, but **DBD** came back.

**1984:** more clubs started Plus – The Plus Club, The Wheeling Glens, TNT, Fiddle & Bow, Swinging B’s, MAD, Seaway Swingers, Peaches & Pairs, Decarie Circles, Kountry Kusins, and advanced – The Plus Club, MAD, Circles & Squares,

**1985:** Brome Squares, GLAD and Decarie Circles also danced some C1.

**1989:** C2 and C3A was introduced by Montreal Acey Deuceys

## MACA

Originally there was the **Champlain Valley Callers Association**. It included the callers that called for BBS&RDA. Eventually the callers that called in the Montreal area left that organization and formed the **Montreal Area Callers Association**.

# History of BBSRDA from 1970 to 2024

## BBS&RDA website

**2002:** In 2002 BBS&RDA started a website. Glenda Harris was the webmaster. This site kept BBS&RDA members up to date, since paper publications are basically obsolete the minute they are printed. The dance books were continued for a few more years.

**2008:** The last dance book was published in the fall of 2008.

**2013:** André Paré became the webmaster

## Round Dancing

**1973:** Circles and Squares started having round dance lessons and dances in 1973.

**1978:** Swinging Bees changed its name to Swinging Bees Square and Round Dance.

**1982:** Golden Slippers round dance club started.

**1983:** several clubs started having rounds – Twisters & Twirlers, Northern Lights, Moonshine Squares, Cornwall Carousels, Skirts & Flirts, North Country Squares, Circles & Squares, Seaway Squares, Maple City Swingers

**1984:** High Peaks called themselves a round and square dance club.

**1985:** Gisele Gosselin started A La Ronde Round dance club. Continental Dancers started also.

**1986:** there were now 5 round dance clubs.

**2011:** only two clubs left run by the same cuer

**2018:** there is still one round dance club, but it is not a member of BBS&RDA

## MASDA

The Montreal Area Square Dance Association was a short-lived Montreal area association that held a festival once a year. It started in 1975 and ended in possibly 1993. 1993 was the last year a MASDA festival was advertised.

## BBS&RDA Constitution

In 2007 a committee was created to create a new constitution. One of the major changes was the institution of **REGULAR** and **ASSOCIATE** clubs.

**Regular** clubs had full rights and benefits (including receipt of moneys for club expenses), but to be a regular club the club had to provide at least one director to BBS&RDA and to take part in any AGM.

**Associate** clubs only were included in BBS&RDA advertisements and the dance book (until it folded) and the web site.

## Festivals

**Trois Lacs:** was a 3 day festival run by Maple Country Swingers since 1985. When the Maple Country Swingers club folded, the festival was taken over by Russell and Earleen Biggs. In 2015 it was taken over by Stephanie Charters and Mathieu Lapointe.

**Summer Magic:** Montreal Acey Deuceys started Summer Magic in Cornwall in 2008. It ran for 10 years.

# History of BBSRDA from 1970 to 2024

## Zoom dancing

In 2020 the Pandemic happened. No dancing could happen because we all had to stay home – even visiting in homes was not allowed. **Zoom dancing** came to the rescue. Test zoom dances were held by both Don Moger and Dave Hamock.

As the pandemic continued home restrictions were lifted making it possible at times to have several visitors. This meant that **zoom dancing** became easier. BBS&RDA scheduled a season of two couple mainstream and plus zoom dances. They were only moderately successful. BBS&RDA stopped supporting Zoom dancing. But Don Moger continued. After a while Mainstream, Plus, and Advanced dances were discontinued by Don Moger because of lack of attendance. But Don Moger continued Challenge zoom dances. He is still doing Zoom challenge dances to this day.

## Zoom Meetings

Because of the pandemic and home restrictions **directors meetings** and **Annual General Meetings** were **Zoom** meetings also. This was found to be very efficient because no one had to travel to the meeting venue. All BBS&RDA meetings (both director and AGM) are now Zoom meetings.

## Club roster through the years

**1960 to 1969 - Pre-history of BBSRDA.** Clubs existed, but no overall organization existed. The organization that became BBSDA and then BBSRDA was started by meetings in 1967. No information is available from 1967 to 1969 because no dance books were done during that time.

**1960:** It is possible that **Seaway Swingers** started in 1960 because they had a 25<sup>th</sup> anniversary dance in 1985.
