

2 Day

Concepts Weekend

*The level called will be C2 introducing
some new concepts and combining concepts*

Friday & Saturday

July 23 & 24, 2021

Don Moger

St Lawrence College - Brockville, Ontario

We are giving dancers an opportunity to dance calls from the C2 list using many different concepts in the hope of strengthening the definitions. There may be times when we will combine two concepts for one call. Any new concept will be workshopped using C2 choreography. The timing for this workshop weekend will be following the C2 Camp in Brockville Ontario.
